Why should you care for your Area Rug?

Soiled area rugs can look unsightly, but cleaning only for the sake of appearance is not the main reason to service your rugs. Here are three reasons you should routinely have your area rugs cleaned by us: Health, Odor, and Stains. Also, Widmer's has the city's largest and most modern mechanized rug cleaning facility.

Voted Cincinnati's Best!

Who's In Your House?

Rest assured, we are IICRC Certified. Our Techs are Professional, Uniformed, Courteous, Background Checked and Drug Tested!
